# WALLY KOHLER ENDURO CYCLE RALLY

## RULES

Entries are accepted only on condition that competing teams agree to operate under the rules and on the strict understanding that only the officials lap records can be accepted.

**The event is open to all members of SCOUTS SA.**

1. Penalties may be imposed for any breach of these rules.
2. All cycles must have breaks.
3. All breakdowns must be repaired in the pit area. The lap on which the breakdown occurred must be completed with the bicycle to get to the pit area to execute the repair.
4. Rider change-over may only take place in the pit area.
5. The team baton must be passed between riders in the pit area during change-over.
6. The baton must be clearly visible to the lap counter and pit marshal.
7. Any rider without a baton will be removed from the circuit and the team penalised 10 laps.
8. All cycles must have the official number affixed to the front of the handle bars AND the right side of the bike. Numbers must also be easily identifiable and not obstructed by anything on the bike. (MIN. size 200mm x 200mm). If this number is not clearly visible and clean, laps will not be counted.
9. Numbers will be issued upon registration and payment of entry fee or upon pre-registration by email.
10. Each rider must have a signed and witnessed parent content form.
11. EACH RIDER MUST WEAR A CRASH HELMET.
12. A team may use more than 1 bicycle during the event.
13. All bicycles must have and use lights from 17h15 (Sunset).
14. Teams may have as many bikes per team as they want/need. Only 1 bike per team on the course at a time.
15. The full route must be completed for a lap to count. No short cuts allowed, even with a broken bicycle. The lap must be completed until the rider gets to the pit area where the repairs can be executed. Bring a bicycle repair kit.
16. Team batons need to be handed in to the organisers after the race.

**The nitty-gritty stuff.**
